## About Dunreath

We aim to provide young people with opportunities for personal development, through a varied programme of activities within a friendly environment, and by offering personal advice and activities to help them improve their study habits and enrich their moral and spiritual lives.

Dunreath Club is run by Dunreath, an educational centre, and is part of Netherhall Educational Association, a registered charity which aims to provide all-round formation for people of all ages, especially the young, to help them develop their talents to the full and use them in the service of society, according to Christian principles and ideals. Membership of the club is open to boys on a non-denominational basis. Spiritual activities are entrusted to Opus Dei, a personal prelature of the Catholic Church.
